Sir,

Hemp drugs-Ganja-special licence-possession of 3 seers at a time-Messrs. Karnataka Chemical and Pharmaceutical Works Ltd. Udipi

---

Ref: Commissioner's proceedings D.No.1158 abk. dated 17-7-34

In C.P.R.No.1996 abk. dated 22-11-33 the Commissioner sanctioned the issue of a special licence to the Karnataka Chemical and Pharamaceutical Works Ltd. Udipi for the possession of ganja up to a limit of 3 seers at a time for use in the preparation of Ayurvedic Medicines. It was reported in my letter R.C 369/34 dated 26-6-34 that the firm had not made any use of the special licence till then and on my suggestion the Assistant Commissioner was directed to watch the business of the firm under the special licences for another year and to submit a report at the end of that period. Please vide C.P.D.No.1158 abk. dated 17-7-34. The Assistant Commissioner now reports that one seer of ganja was purchased by the licensee under the special licence on 27-7-35 from the ganja shop at Udipi. When called upon to state why the special licence granted to them should not be withdrawn, the Managing Director has stated that they are in need of ganja for their work and that they have already made use of the special licence granted to them it need not be withdrawn. A copy of the Managing Director's letter is enclosed.

It will be seen that for the two years that the special licence has been in force the licensee has made use of the licence only once on 27-7-35 and that too by purchasing only one seer
